

# HANOVER MISSIONARY CHURCH GENERATIONS FOLLOWING JESUS TOGETHER GATHER · GROW · GIVE · GO

Hey everyone!

I am back. Thanks for praying for us this last couple weeks as myself and the boys went out west to visit with my parents in Saskatoon. Please continue to be praying for my mom as she navigates the continuing health challenges due to her cancer.

As I was driving through Northern Ontario, I was struck by the absolute stillness that was out there. Sometimes it felt like there was no towns for hours! There was no noise or busyness around. Just pure stillness. As I drove that stretch of stillness, I was reminded of Psalm 46:10. "Be still and know that I am God." Sometimes it is okay to be on a road with no busy places like towns. Sometimes it is okay to drive through the quiet and still wilderness of life. It is in those moments of stillness where we encounter God.

So, are you appreciating the stillness in your life? Or are you craving the noise? And if you crave the noise, are you missing out on what God wants to pour into your life?

—Pastor Dave

## It's beginning to look a lot like a different kind of Christmas!

Yes, Christmas may look different this year, but whether we can gather in person or in spirit from the safety of our homes, it's still a time of celebration as we reflect on Jesus, the greatest gift of all. In a season of darkness we want to turn our eyes and hearts towards the light. Next Sunday marks the first week of Advent and we will take that journey together, celebrating the Peace, Love, Hope, and Joy available to us through the promises of God. Big plans are in the works for an HMC Christmas Special that will come to you on Christmas Eve. Stay tuned for decisions regarding an in-person service as well.

## thiswayoflife is making a comeback with a surprise ROUND THREE!

Thank you for embracing thiswayoflife! We have loved watching you journey through the challenges and we want to see more - that's why we're gearing up for another round. Stay tuned to learn how you can participate.
