

HANOVER MISSIONARY CHURCH GENERATIONS FOLLOWING JESUS TOGETHER GATHER · GROW · GIVE · GO

The other day, I was out driving through the country side in our area, and I was struck by the pure beauty of the fall colours that were in front of me. As I drove, I was reminded of the absolute wonder, creativity, vastness, and power of God. Yet I was also reminded of Psalm 8 where the psalmist looks at all that is around him that God has made and is left to wonder of God “who am I that You are mindful of me?”

The amazing thing is that this very same God that made all the beauty we see daily around us is not only interested in us, but pursues us in love because He wants a relationship with us. We may think we are small and insignificant, but God still wants to know you and help you experience His love.

Enjoy the beauty around you and be reminded of what He also thinks about you.

thiswayoflife OFF TO A GREAT START

We are so encouraged to see households participating in our thiswayoflife initiative. Take some time to look up #thiswayoflife on social media to see some of the fun ways activities are being implemented into the weekly rhythms of our congregation. With a keen focus on bringing Jesus into your home, households are being encouraged to feast, to pray, to celebrate, and to serve. If you missed signing up for the first box, don't worry! You can still follow along online. Visit thiswayoflife.online to learn more.

Pastor Kristina is inviting you on a journey to discover a fresh way of looking at discipleship. Her newly developed

Discipleship manual is a powerful tool to guide you towards intentional friendship, modelled after the way Jesus approached relationship. Digital copies can be downloaded at hanovermissionary.com/discipleship, but if you'd like a printed copy, please call the office. Reach out if you have questions or would like to discuss the issue more deeply with her.

We are open throughout the week by appointment. Please call the office if you'd like to meet with a pastor or drop off your tithe. Visitors must be masked and are required to sign in at the door so we can track who is in the building. Remember, if you are attending our Sunday morning service in person you must register first. Call the office or fill out the form at hanovermissionary.com/registration by 10:00 a.m. Thursday mornings.

Thank you for continuing to be a generous community. In these tough times, we have been so blessed to see God provide. If you are not attending in person on Sunday mornings and would like to give, you may contact the church to arrange a drop off or to use the debit machine. Tithes and offerings can also be sent through e-transfer (to bookkeeper@hanovermissionary.com) or using the Tithely app (go to get.tithe.ly and sign up, or download the tithe.ly app from the app store).

We know many of you aren't ready to come back in our building, and that's okay. We want to make sure you're still finding ways to connect with one another and one of those ways we've helped facilitate that is through The HMC Penpal Project. Throughout the summer there were households exchanging letters and getting to know each other in a new way; in fact, we received a call just last week telling us how enriching these exchanges have been. If you'd like to jump in on the fun, reach out to the church office and we'll pair you up with someone else eager to exchange notes.

It's SHOEBOX time!

Thanks to everyone who picked up a shoe box. If you missed the pick-up window we will have some boxes available on Sunday morning. Drop off will be November 5-6. Stay tuned for times.

WARMING CENTRE

Cold weather will be upon us in no time and much thought has gone into how to run our Warming Centre in a safe and helpful manner. Extra precautions will be taken by volunteers to ensure social distancing, sign in procedures, and the use of hand sanitizer and masks. Food will no longer be available buffet-style, but served by the volunteers.

Our Warming Centre is an important community ministry and beginning on November 5 it will run every Thursday from noon to 2:00, providing a place for those in need of warmth and company to enjoy a hot bowl of soup and friendly conversation.

We are accepting donations of non-perishable food items, as well as knitted hats and mitts. Donations can be dropped off on Sunday mornings, or you may contact the church office to arrange a drop off time during regular office hours. If you would like to volunteer to make soup or to help at the Warming Centre on Thursday, please connect with Marcia Burt. 519-364-3422 or paulandmarciaburt@yahoo.ca

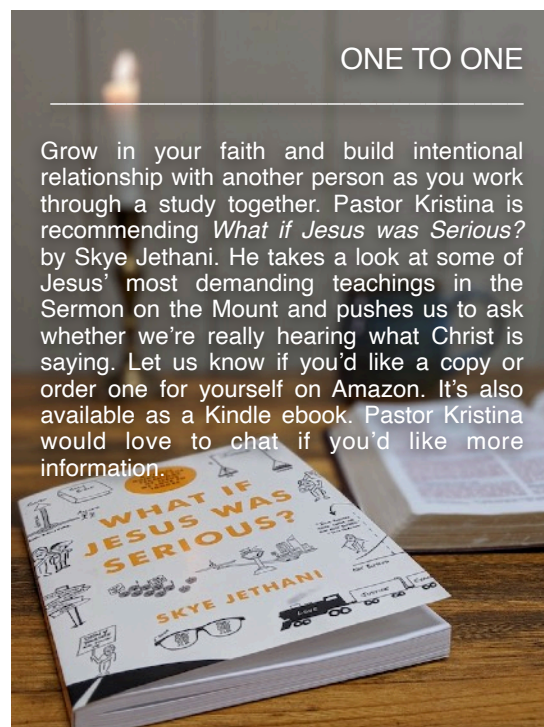

Please keep this ministry in your prayers as they prepare for a new season.

Grow in your faith and build intentional relationship with another person as you work through a study together. Pastor Kristina is recommending *What if Jesus was Serious?* by Skye Jethani. He takes a look at some of Jesus' most demanding teachings in the Sermon on the Mount and pushes us to ask whether we're really hearing what Christ is saying. Let us know if you'd like a copy or order one for yourself on Amazon. It's also available as a Kindle ebook. Pastor Kristina would love to chat if you'd like more information.
